Chicago, IL 60604-3590

**Re: Freedom of Information Act Request**  
**Former Satralloy Inc. Facility, EPA Registry ID#110012641294**

Dear Sir or Madam:

Pursuant to the Freedom of Information Act ("FOIA"), 5 U.S.C. § 552, I hereby request copies of any and all records<sup>1</sup> related to the following:

- All records in EPA Region 5's possession relating to the former Satralloy Inc. (aka Satra Concentrates, Inc.) (EPA Registry ID#110012641294) facility located at South of Goulds County Highway, Jefferson County, Steubenville, OH 43952 ("Satralloy Site"). An alternate address for the Satralloy Site may also include 4243 County Rd 74 Gould Rd, Jefferson County, Mingo Junction, OH 43938.

In addition, past owners of the Site may include Vanadium Corporation of America, Foote Mineral Company, Estate of Catherine Glorious, and Chemetall Foote and/or Gary Smith. The current owner of the Satralloy Site is Cyprus-Amax Minerals Company.

The scope of this request includes, but is not limited to, the following types of records:

- Any and all letters, memoranda, emails, telephone conversation logs, facsimiles, records of conversation and other communications or correspondence within EPA or between EPA and another government agency, consultant or other third party relating to the Satralloy Site.

---

<sup>1</sup> As used herein, the term "record(s)" includes all written, printed, typed, documented, electronic or graphic matter, photographic or videographic matter, sound reproductions, or computer input or output of any kind and description, both originals and copies, whether in draft or final form, and all attachments and appendices thereto.

Page 2

- Any and all reports, permits, sample analyses, studies, maps, charts, tables, spreadsheets, drawings, surveys, data compilations, research materials, and other documents relating to the Satralloy Site;
- Any analysis used by EPA or its contractors to determine the source(s) of contamination at the Satralloy Site and any documents and communications related thereto, including, but not limited to, any analysis done by EPA or its contractors;
- Any and all reports, analyses, and other work, and any and all communications, including letters, memoranda, guidance materials, or other correspondence related to EPA's prior or current removal and/or remedial actions at the Satralloy Site; and
- Any and all FOIA requests by other parties related to the Satralloy Site.

If EPA Region 5 takes the position that any of the requested record(s) are classified or exempt from disclosure, I request that you declassify or produce the records in redacted form. To the extent that any requested records subject to a claim of exemption are not produced, please provide a log identifying any and all such records by date, type of document, author, recipient(s), unclassified subject matter, and type of exemption claimed. If any records are produced in redacted form, please specify the exemptions claimed for each redacted page or passage. In addition, if any requested records have been destroyed, please identify and provide the date of and authority for such destruction.

This request is not made for a commercial purpose. Gallagher & Kennedy agrees to pay all reasonable and standard processing fees up to \$250. If the fees will exceed this amount, please call me with an estimate of additional costs.

If you have any questions related to this request, you can reach me by e-mail at [yb@gknet.com](mailto:yb@gknet.com) or by telephone at (602) 530-8183. Thank you for your prompt attention to this matter.

Sincerely,

**GALLAGHER & KENNEDY, P.A.**
